Hi All,

We very much look forward to meeting you all at the DRSA Summer Sizzler being held at the Plymouth Life Centre this weekend (12th/13th July).

**We seem to have enough officials to run 10 lanes, but we could still do with more volunteers in Sessions 2 and 4.**

I have attached a copy of the current meet program & warm up schedule but will send updated details, including a free downloadable programme for parents etc on Friday. The free programme will also be available via QR codes located around the Life Centre.

Saturday Warm up will start at 12:35

Sunday Warm up will start at 12:05

The meet will be uploaded & available to view on Meet Mobile.

Please Note:

There will be no requirement for sign ins for any event.

**DRSA & PL will sit in the two banks of seating areas in the balcony above the control room.**

**Please could all teams advise parents/spectators that this area is strictly for swimmers and club support staff only. This includes the desks directly above the seating area.**

**Please also note that footwear MUST be worn whilst transiting between the balcony and the pool and all swimmers must be dry.**

**Pisces Swimming club are using the Diving Pool on Sunday & access to pool side and the control room via the diving pool entrance is strictly prohibited until 1pm. Please access the pool area using the central entrance through the changing village.**

**All clubs that have requested Coach/TM packs, please pick these up from the desk outside the Control Room on Saturday before S1.**

Please could you remind all swimmers that the Life Centre has a policy of no large bags on poolside & please use the lockers provided by the Life Centre to store additional belongings.

**For those looking for a memento of the occasion, High quality Sizzler swim hats and hand fans will be available to purchase from the balcony area. Hats will cost £10 and fans £10, but you can buy both for £14.**

**We will also hold a raffle, so please bring some loose change!**

Swimpath will also be providing a swim shop selling performance & competition swim wear which will be situated on the pool balcony at the flume end.

There does not appear to be any events planned around Central Park this weekend. So hopefully parking will not be an issue.

On behalf of DRSA, we hope you all have a fantastic weekend of swimming.

Best Regards

Mark Philipson

Competition Secretary Devonport Royal Swimming Association
